

2008 Annual Support Program

Be an SA Change Maker

Who changed your life when you were a student?

Many graduates consider their education at Saint Albert to be a life-altering time of personal, social, spiritual and intellectual development. Whether the catalyst was a teacher, pastor, alumnus or simply their education as a whole, it all began at Saint Albert.

Through this experience, Saint Albert graduates have gone on to change the world in meaningful ways – and will continue to make positive change with your help.

This year, Saint Albert is asking its alumni and friends to **Be an SA Change Maker** by contributing to the 2008 Annual Support Program. For more than 40 years, the Annual Support Program has affected positive change in nearly all areas of campus: scholarships, building renovations, academic programs and much, much more.

This year, we are focusing on “bridging the gap” between the amount of tuition charged and the actual cost of educating a student. ***Here’s how your contribution will help:***

Average cost per SA student = \$5,800

Average SA tuition paid = \$2,800 (48%)

Parish gift per student = \$1,860 (32%)

Gap per student = \$1,200 (20%)

Help change the lives of today’s Saint Albert students – **Be an SA Change Maker by contributing to the 2008 Annual Support Program.** To do so, just complete the form at right and return it to the Saint Albert Business Office at 400 Gleason Avenue, Council Bluffs, IA 51503-5001.

I would like to Be an SA Change Maker through a gift of \$_____ to the 2008-2009 Annual Support Program.

Method of Payment (all gifts are tax-deductible)

Check enclosed for \$_____ (payable to Saint Albert)
