Buy-A-Brick Program

As part of the **"Building for the 21st Century"** capital campaign, Saint Albert Catholic Schools is creating a new entrance hall to the school as a way to ensure a lasting statement of support and pride. Members of the Saint Albert family will help build the entry by donating a brick to be placed on the wall.

Each brick will include a name or message inscribed according to the wishes of the donor. Buy one brick for your own name or as a way of honoring someone important to you. Buy several bricks to recognize your parents, grandparents, children or favorite teacher from your school days.

Whatever you choose, you'll be pleased that you helped build a grand entrance that will welcome students and visitors to Saint Albert for years to come.
