## **Dental Screening Required for High School Students**

All students entering the 9th grade in the fall of 2010 are now required by the Iowa State Department of Public Health to have a dental assessment. This website link <http://www.saintalbertschools.org/documents/Dental-Screening-Form.pdf> contains the only acceptable form of documentation that the state requires. If your child has already had an appointment with a dentist or orthodontist during 2010, you do not need another appointment, but the dentist/orthodontist will need to complete the form. The dental screenings must be done before the beginning of the fall 2010 school year. Please return the form to the High School Office when complete. If you have any questions, please contact Kathleen Zajic at [kzajic@csm.edu](mailto:kzajic@csm.edu)
