SA ACT Scores—Highest in CB!

With a new cradle to college campus, Saint Albert is teaching everything from ABCs to ACTs. Successfully too! Saint Albert's composite ACT score rose from 22.6 in 2009 to 23.6 in 2010. In the Council Bluffs School District, Saint Albert reported the highest average ACT score.

Good college preparation is one reason why St. Albert is a great investment for your child. Saint Albert has consistently beaten the state's average ACT score for the last five years. This year, Saint Albert students outperformed the State's average scores in all categories.

Category	St. Albert	State
English	23.8	21.8
Math	22.0	21.8
Reading	24.9	22.6
Science	23.0	22.3
Composite	23.6	22.2

Whether Saint Albert teachers are helping students learn their colors and ABCs or the periodic table of elements, they are successfully contributing to Saint Albert students' intellectual growth and academic careers.
